Subject: RE: BEAD Coordination on RD Topics- RR SOP Update

Hi team,

I have gone through and updated the RR SOP documents. There are still some comments that need to be addressed (I think it would be helpful for Nikhil or Mark to review considering their expertise with RR). I have attached links to two files below- the first is the **Reduced_Risk_SOP_11_16_20_Redline** version and a newer version **Reduced_Risk_SOP_11_27_20**.

Please let me know if you have any questions. Thanks!

Subject: RE: BEAD Coordination on RD Topics- Meeting Notes

Hi Gerald –

I have gone through and addressed some of TJ's comments and made a few other text edits. I hope it is of some use. If you have questions for me, I'll be back at work next Tuesday. I am taking the early dismissal option today and departing my computer at about 2 pm ☺

I think after a clean-up and addressing TJ's remaining comments and/or the list you developed below, it will be pretty much done – if you think I can help more with any of these items please let me know.

Regards, Nikhil
